LANGUAGE

1. Creative Storyland 創意故事樂園 (PN) (English)

To cultivate a love of reading in children, we first start off by reading them stories and sharing their enjoyment of listening to stories. This class introduces a different story every week and children will be engaged in role play or making a craft related to the story.

2. Phonics & Reading 1 拼音及閱讀班 1 (K1) (English)

Readers learn the beginning and ending sounds of the letters that are most commonly found in English words. They then apply their knowledge to blend sounds together to read Letterland Stage 1 Storybooks.

3. Phonics & Reading 2 拼音及閱讀班 2 (K2) (English)

Readers review the beginning and ending sounds of the alphabet and learn the 2 to 3-letter blending sounds (digraphs and trigraphs). Children will be taught how to blend sounds together to read Letterland Stage 2 Storybooks.

4. Phonics & Reading 3 拼音及閱讀班 3 (K3) (English)

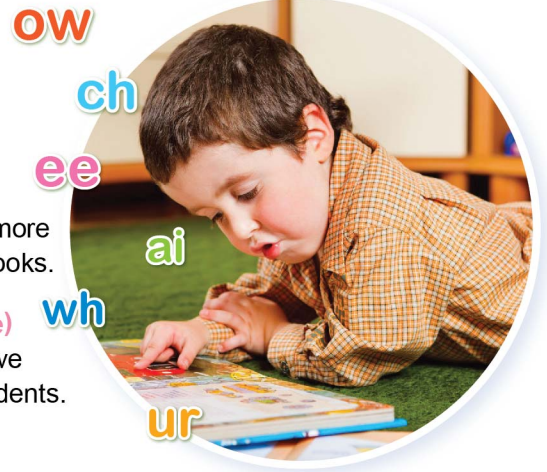

Readers review the blending sounds learnt in K2. Children will be introduced more complex words as well as sight words for reading Letterland Stage 3 Storybooks.

5. P1 Interview Preparation Course 小一面試課程班 (K2 – K3) (Cantonese)

To help our students be more prepared for Primary One School Interviews, we will be holding a special Interview Class in Cantonese for our K2 and K3 students.

6. Reader's Theatre 閱讀樂園 (K2 – K3) (English) (Materials Fee Applies)

Reader's Theatre is a fun way to boost children's confidence in speaking and presenting themselves in front of an audience. These skills in reading, speech fluency, comprehension and self-expression are built through familiar folktales and short stories.

FOREIGN LANGUAGE

7. Spanish 西班牙文 (PN – K3) (Spanish)

Children learn Spanish in a fun and interactive way through songs, rhymes and games. They focus on building their listening and speaking skills and understanding simple commands in Spanish.

8. Putonghua 普通話 (PN – K3) (Putonghua)

This course helps children to improve their Putonghua listening and speaking skills through conversations, activities, rhymes and poems. Children are given lots of opportunities to practice the language orally through interesting theme-based classroom activities.

COGNITIVE DEVELOPMENT

9. International Chess 國際象棋 (K1 – K3) (English)

Chess classes help improve students' critical thinking and problem-solving skills as well as their math and reading test scores. Students will learn the rules of International Chess, the manner of playing this board game as well as discover a wonderful world of challenge and adventure.

10. Fun Science 科學實驗小百科 (K1 – K3) (Cantonese) (Materials Fee Applies)

Science is the study of the world around us. Our little scientists will learn about their subject by observing, describing and experimenting. Through lots of exciting hands-on experiments, children will make new creations and understand the concept of cause and effect.

11. Lego Play 創意積木唱遊班 (K1) (Cantonese)

Allow your child's imagination to run wild in our Lego Play class. Using Lego blocks, children construct objects based on the weekly theme. Children have free building time after the class objective is met.

12. Lego Build 創意積木樂園 (K2 – K3) (Cantonese)

Our Lego Land class allows children to be as creative as they could be with Lego blocks. Children construct objects of many kinds based on the weekly theme both individually and as a team. Children have free building time after the class objective is met.

CREATIVE & PERFORMING ARTS

13. Pop Singing 流行音樂 (PN – K3) (English)

Singing makes children happy. It can improve their mood and put them in a more relaxed, joyful state of mind. Singing lessons also help improve memorization skills, focus and increase pattern recognition. Children build confidence and self-esteem as they get opportunities to perform to a group of audience.

14. African Drum 躍動非洲鼓 (K1 – K3) (Cantonese)

Djembe is an enjoyable and ideal avenue for children to express themselves musically without the intensity and formality of classical musical instructions. This is a great introduction for young students to start developing their musical ear and rhythm.

15. Beginners Ukulele 夏威夷小結他 (K1 – K3) (Cantonese)

(Materials Fee Applies)

Ukulele, also known as the “Jumping Flea” is a four-stringed instrument and a member of the guitar family. Children learn the chords of the ukulele and to play different music genres most common to this instrument.

16. DramaRama 戲劇小天地 (K1 – K3) (English)

(Materials Fee Applies)

Children interested in acting may join our dramatic and theatric role-play classes. Children essentially learn through play by expressing their ideas and feelings through performances that include singing, dancing and acting.

17. Disney Clay Land 迪士尼黏土奇幻樂園 (K1 – K3) (Cantonese)

(Materials Fee Applies)

Children will use “Wonder Clay” to create various Disney characters. They will train the flexibility of their fingers by rolling, twisting, pressing and adding details to their creation.

18. Let's Cook 齊來學烹飪! (K1 – K3) (English)

(Materials Fee Applies)

Our popular Let's Cook class is a fun and exciting way for your child to explore the art of science, cooking and encourage an adventurous palate. Cooking can also boost children's self-confidence and self-help skills while preparing simple recipes on their own.

19. LCM Early Learning Music Program LCM 早期音樂課程 (K1 – K3) (English)

Our LCM Program allows children to learn music through playing various percussion instruments as well as singing to new and familiar tunes with body movements. Children are also given the opportunity to undertake an assessment to obtain an internationally recognized certificate from the London College of Music.

20. Creative Art 創意藝術家 (K1 – K3) (Cantonese)

(Materials Fee Applies)

Children learn different techniques to create art in a happy and relaxing environment. Through different topics, they explore various visual arts elements, learn proper drawing techniques and create 3D art pieces using clay. This class cultivates creativity and strengthens fine-motor skills in young children.

21. Kindy Harp 小小豎琴家 (K1 – K3) (English)

(Materials Fee Applies)

The harp is a unique instrument which is perfect for children that are searching for a more challenging and exciting experience in learning to play a music instrument. Our Kindy Harp program allows children to explore their music potential through playing classic tunes on this elegant instrument.

PHYSICAL MOVEMENT

22. Mini Football 小型足球興趣班 (PN – K3) (Cantonese)

Children strengthen their hand-eye coordination, cognitive ability, body coordination, muscle development as well as enhance communication and problem solving skills in this football program. They learn to be a team member during group games.

23. Pre-Primary Ballet 學前芭蕾舞課程 (PN – K3) (Cantonese) (Uniform Fee Applies)

This course is an introductory class to the RAD Graded Examination syllabus. Children develop physical skills, stamina, creativity and expression as well as build spatial awareness and respond swiftly to the elements of music.

24. Taekwondo 1 兒童英語跆拳道 1 (PN – K1) (English) (Uniform Fee Applies)

Children learn to focus on listening to orders, practicing basic forms, blocking, kicking and punching in this martial art class. These fundamental skills increase children's concentration, body coordination, flexibility and balance.

25. Taekwondo 2 兒童英語跆拳道 2 (K2 – K3) (English) (Uniform Fee Applies)

Children learn to focus on listening to orders, practicing basic forms, blocking, kicking and punching in this martial art class. These fundamental skills increase children's concentration, body coordination, flexibility and balance.

26. Hip Hop Dance 嘻哈舞蹈家 (K2 – K3) (Cantonese)

Hip Hop Dance is a fun and healthy way for children to release their high energy levels and learn different dance routines. Children can improve their balance, coordination and listening skills through engaging pop music.

27. Jazzy Dance 爵士舞者 (K1 – K3) (English)

Jazzy Dance is the perfect opportunity for children to express themselves in a fun way that is beneficial to their physical and mental health. Children will be able to develop their sense of rhythm and coordination with fun jazzy tunes!

28. Rope Skipping 躍動跳繩班 (K2 – K3) (Cantonese) (Materials Fee Applies)

Skipping is more than a just game, it's a great exercise to improve children's coordination of hands, feet and brain as well as exercising different parts of their body to improve agility. Children will begin to learn to skip individually and then progress onto group skipping while doing fun jump rope games such as Double Dutch.

PARENT-CHILD INFANT CLASSES

29. Infant Hop & Jump 親子小跳兔及小袋鼠班 (10 – 17 mos / 1.5 – 2 yrs / 2 – 2.5 yrs) (English)

Caregivers and infants enjoy their time together in an environment with books, toys, sensory materials and everyday objects for them to discover and explore. The class introduces music, rhymes, finger plays and fun movement activities, all of which enhance early brain development.

 All the joy of learning
begins right here!
